Continued on Reverse Side

Start Dates are filled based on booth space availability. A student's funding will need to be secured one week prior to start date. If funds are not secured by projected start date their booth space may be forfeited to the next booth date available. Day, Evening or Graveyard shift are assigned by the Director of Admissions prior to your start date.

My **First** Preferred Start Date is Monday, _____/_____.
(Subject to booth availability) Month Date

My **Second** Preferred Start Date is Monday, _____/_____.
(Subject to booth availability) Month Date

A Missouri Welding Institute representative will inform you of the next available start if your first and second date choices are full.

I, the undersigned applicant, agree to pay a non-refundable \$50.00 Registration Fee, and a \$50.00 Booth Reservation Fee. A total of \$100.00 is enclosed. I also understand that the \$100.00 fee will be credited toward the tuition, books, supplies and equipment of the enrolled course when I begin class. I am fully aware that this form is a Class Reservation Form, and that an official enrollment form will be completed at Missouri Welding Institute prior to orientation on the actual start date. Classes are filled based on receipt of reservation form.

A Reservation Fee of \$100.00 must accompany this Class Reservation Form for it to be valid.
